@JackPosobiec From this angle the woman who was killed appears to be at a different set of doors than the chamber photo that was going viral. Opens to a hallway.

American soldiers showed up and went against the King. No violence was going on directly at the bridge but just a show of strength, then a King's soldier got spooked and opened fire.

Same thing happened today...

9 ▼ So agreed.

We have been peaceful, law-abiding, and orderly all the way to this point.

If President Trump or his staff are lurking in here tonight...the Call to uphold Law and Order is ringing very hollow tonight.

The Rule of Law and Order mean nothing when your enemies refuse to abide by them, betray them, then shackle you to a distorted image of Law and Order they wish to impose upon you.

Optics no longer matter now.

The Tree of Liberty has swallowed its first drops. Those of an unarmed Patriot woman, with all her life ahead of her.

Everyone with a share in this fraudulent election, and everyone who has a hand in covering it up and supporting it, has her blood on their hands.

2020 is the new 1776.

When I got back Trump had ordered the fade-away. Fortunate timing. Also might implement a piss catching solution if I plan on getting into another fray. I guess we can all call this an excellent dress rehearsal save for their fucking pig gunning down a fine young woman.

We had nerves of such steel not one flag twitched on the capitol steps as pop after pop rang out. The snipers on the roof didn't scare us out of their courtyard. Every last one of them knew how fucked they were. The only one who crosses the Rubicon first is Trump. THIS WAS THE FUCKING PLAN PEOPLE. STOP PANICKING. SEE MY OTHER POSTS. Stop listening to Fake News Media. Fuck shopping small, LISTEN small. And I'm not talking about these unpopular podcast bullshitters that don't change topic in an hour and a half. 2 Exactly. And the lack of organization is unfortunately our fault. We elected politicians that were never on our side, and now they will never be the leaders we need to assemble a working army. It takes a leader with a great deal of popularity to manage that type of organization, and even Trump doesn't seem up to the task. There will be no war. Freedom is a lost cause.

The murderous cop MUST be arrested, and the unarmed woman who was murdered needs to have the Senate office building renamed for her, so our legislators going forward can be reminded of the government tyranny that occurred today.

Bonus: Rename 16th Street, AKA 'blm Plaza' in honor of the murdered woman.
